

*Merry*  
CHRISTMAS

CHRISTMAS 2026

# Peace to your home.

---

Thank you for serving our country, and for  
being part of the UEW family. Caring for you  
is a privilege we do not take lightly.

May your Christmas be warm and unhurried,  
spent with the people you love most, and  
may the new year be gentle and good to you.

— *Everyone at United Energy Workers Healthcare*
