

THANKSGIVING 2026

# Give thanks.

---

HAPPY THANKSGIVING

For all of it,  
thank you.

---

For serving our country. For hands that built  
something bigger than themselves. For the  
families who stood behind them.

And for being part of the UEW family —  
thank you. Happy Thanksgiving from all  
of us.

— *With gratitude, your care team*
