THE HOLIDAY SEASON

HOLIDAY SEASON 2026

# Peace to your home.

Thank you for serving our country, and for  
being part of the United Energy Workers  
family. Caring for you is a privilege we do not  
take lightly.

May your holiday season be warm and  
unhurried, spent with the people you love  
most, and may the new year be gentle and  
good to you.
